CATHOLIC EDUCATION The Spirit is Alive

Our parish lies within the boundaries of the Durham Catholic District School

Board. Are you aware that if you move, your assessment status defaults to that of a public ratepayer. Please ensure you are registered as a Catholic school supporter. Your support helps to maintain an accurate registry of Catholic ratepayers, determining the number of Catholic Trustees to govern our schools and allows you to participate in the voting process to elect Board Trustees. Packages are available at the entrances to complete if you are in need of changing your status.

CONFIRMATION – 2010-2011

The parent meetings for the students being confirmed next year have now been completed. If you were not able to attend and pick up the registration information please contact the Parish office or see Fr. Peter after Mass. All registrations and paperwork must be handed into Fr. Peter at one of the weekend masses before the end of June.

FINAL BULLETIN NOTICE

This is the final bulletin until after Labor Day. Mass intentions for July & August will be posted on the bulletin board.

Congratulations

AND

Mighty Big Thanks!

It is hard to believe that it is soon time for our Seminarian Chris Lemieux to return to his studies at St. Augustine's Seminary. Chris has been with us since September. He has been a tremendous asset to our Parish community, parish office, RCIA for young people, and especially our parish school communities. Please join us for the 12noon mass on Sunday, July 25th to thank Chris for his dedication to our parish and to pray that God will continue to bless him on his wonderful journey to the priesthood. A reception in his honor will follow the mass.

THE CATHOLIC WOMEN'S LEAGUE

Wish to thank everyone that participated in the Class Act Dinner Theatre Fundraiser. It was a huge success!

Smile Awhile...

Four high-school boys decided the weather was just too nice to return back to school after lunch break.

The next morning they were called to the principals office. They explained they had a flat tire on the car, and by the time it was fixed, school was over.

"Well," said the principal, "that is very unfortunate, because you missed a test. Take out a piece of paper, spread out across the class in these first four seats, and write the answers to my questions.

Question #1, Which tire was flat?"
